

FREE Youth Programs

Scrubby Bear

• **Ages 4-7**

Scrubby Bear teaches children how germs are spread, how to prevent the spread of disease, and to properly wash their hands. "Don't get sick. Wash up quick!"

Longfellow's Whale Tales

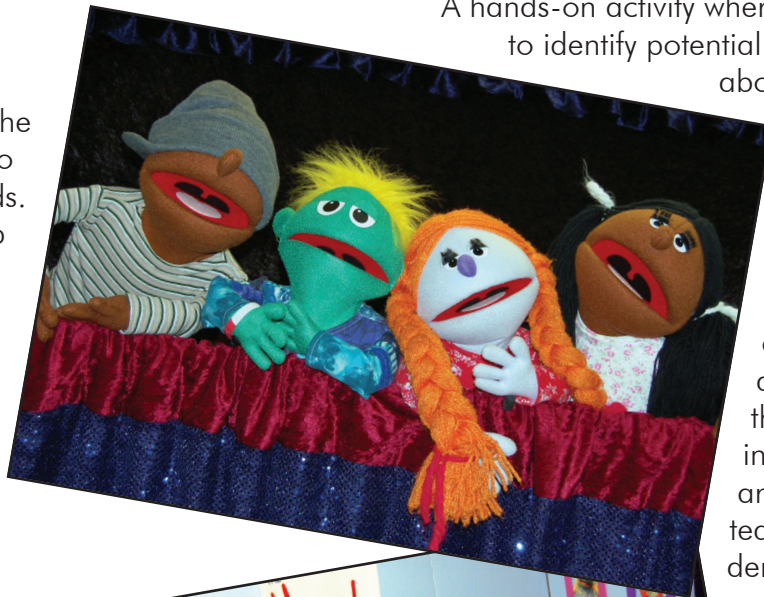

• **Ages 4-8**

Longfellow's Whale Tales provides children with the skills to be safe around the water and to help emphasize the importance of healthful aquatic recreation.

Be Red Cross Ready Puppet Show

• **Ages 5-11**

Through puppet theater, children are instructed on safe behaviors and emergency preparedness — Get a Kit, Make a Plan, Be Informed!

Hazard House • **Ages 5-10**

A hands-on activity where children enter a house facade to identify potential hazards and answer questions about how to correct them.

(This activity is intended for large-scale events only.)

Masters of Disaster

• **Ages 5-14**

This nationally developed curriculum teaches children about emergencies and disasters through core academic subjects, including math, science, language arts and social studies. It provides teachers with detailed lesson plans, demonstrations and activities that meet required standards for all students. Our program may include activities such as making a disaster supplies kit, recognizing fire hazards, or making an escape plan.

Safe On My Own

• **Ages 8-14**

Learn the skills necessary to be in charge when alone at home. Learn to recognize, prevent and prepare for emergencies.
