

# Order your engraved *Commemorative Bricks*

**3765 Corporate Drive | Columbus, Ohio 43231 | (614) 891-5280**

We adopted our lab/chow mix pet (Lucy) from CHA in October of 2006. She was wonderfully cared for; healthy and happy to be adopted. She had been at CHA for several months because she often didn't get a second chance to make a good impression. Lucy was exuberant and she needed patience, love and training to become the wonderful pet she now is.

Since our initial introduction to CHA when we adopted Lucy, we have continued to be a financial supporter and strong proponent of the organization. They do wonderful work that is sorely needed.

Regards,  
Karen & Joseph Oldham

Lucy
